About Me

Enthusiastic and quick learner with strong problem-solving abilities and a deep interest in technology and digital innovation. I am eager to apply my skills, learn from real-world projects, and contribute to impactful solutions through dedicated work and collaboration.

Skills

- Quick Learner
- Creativity and Problem-Solving
- Teamwork and Collaboration
- Critical and Analytical Thinking
- Communication Skills
- Adaptability and Leadership

Education

Bachelor of Science (Computer Science and Engineering)
American International University Bangladesh
Last Semester: Fall-(2025-2026)

- **CGPA: 3.90 out of 4.00**
- **Academic Scholarship Holder**
- **Got 3 Dean's Listed Award (3 more to get)**

Higher Secondary Certificate (Science)
Govt. Science College (2021)

- **GPA: 5.00 out of 5.00**

Secondary School Certificate (Science)
Mirpur Bangla High School and College (2019)

- **GPA: 5.00 out of 5.00**

Major Projects

- CareerConnect
  HTML, CSS, JavaScript, PHP, MySQL(phpMyAdmin)
  Led the development of a full-stack web portal facilitating interaction between job seekers and companies.

- PharmacyDriver
  C#, .NET, SQL Server
  Developed a comprehensive desktop application for pharmacy inventory, sales, and customer data, featuring online ordering and stock alerts to streamline operations.

- Advanced NLP Models for Text Classification
  Python, Bert, Bio-Bert
  Implemented and fine-tuned BERT and BioBERT models on general and PubMed datasets to build a robust text classification system for specialized NLP tasks.

- Railway Management System
  Oracle SQL
  Designed and developed a comprehensive Oracle database system to efficiently manage train schedules, passenger bookings, and customer data.

- Preventive Solutions for LPG Gas Explosions
  Research with Secondary Data Analysis
  Analyzed incident data to identify root causes of LPG explosions and proposed a multi-faceted prevention framework involving safety devices and public awareness.

- The Future of Digital Currency in Bangladesh
  Primary Data Research
  Conducted primary research via institutional interviews to analyze cryptocurrency adoption potential and identify key challenges in the Bangladeshi market.

Tech Skills

- C++
- C#
- Java
- Microsoft Office Suite
- HTML
- JAVASCRIPT
- PHP
- Django
- Cascading Style Sheets (CSS)
- Oracle SQL
- MySQL
- phpMyAdmin
- GLUT (Graphics)
- Python (Programming Language)
- R (Programming Language)
- Natural Language Processing (NLP)
- Linux
- Data Structure and Database
- Management Information System (MIS)
- GLUT (Graphics)
- Data Analysis
- Object Oriented Analysis And Design
- Statistics

  Etc.

Major Community Work

- Probationary Member, **AIUB Environment Club**
- Assistant Manager, **GSC Scientist Mania**

Languages

- Bangla (Native)
- English (Fluent)
  - Speaking
  - Listening
  - Reading
  - Writing
- Hindi (Fluent)
  - Speaking
  - Listening

Research

- Analysis of Soil Salinity and Earth Metal Concentrations Along River Distance Gradients in The Sundarbans

  Secondary Dataset (Government Official Dataset)

  Collected and analyzed soil samples along river gradients in the Sundarbans to assess salinity levels and heavy metal concentrations, identifying spatial patterns and potential environmental risks to ecosystems and local communities.

  24th International Mathematics Conference

  University of Chittagong, Chittagong

  (Abstract Accepted and Paper Acceptation ongoing, Presentation Given)

- Comparative Analysis of Classification Techniques in Data Mining: K-Nearest Neighbors, Naive Bayes, and Decision Trees based Approach

  Secondary Dataset Analysis

  Performed a comparative study of KNN, Naive Bayes, and Decision Tree algorithms using real datasets to evaluate their classification accuracy, efficiency, and suitability for predictive analytics applications.

  24th International Mathematics Conference

  University of Chittagong, Chittagong

  (Abstract Accepted and Paper Acceptation ongoing, Presentation Given)

- Socio-Economic Impact Evaluation of Microfinance Programs through Difference-in-Differences Approach

  Dataset Selection Process Ongoing and Title locked

  Journal Paperwork

  Under,

  Prof. Dr. Dip Nandi

  professor, Associate Dean

  FACULTY OF SCIENCE & TECHNOLOGY

  American International University Bangladesh (AIUB)

Interests

- Research
- Reading
- Puzzles & Logical Games
- Team Sports

  Football, Cricket, Futsal
